Dear Parents and Carers,

We are excited to announce that we have now moved our MIS system to Arbor and will shortly be introducing the Arbor parent app.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

We are really looking forward to all parent and carers getting started with the Arbor App and invite all our parents to familiarise themselves using the link below.

### [Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#).

We will send further communication on the parent app and how to register by the end of May 2024. Please look out for this information and register your child when prompted.

This Parent App will be used for all payments, booking lunches, trips and After School Clubs. Once this App is live all parents and carers **MUST** ensure that all lunches are booked through this app, even for children receiving Free School Meals or Universal Meals.

We hope you are looking forward to using this new feature as much as we are!

More Information to follow.

Yours sincerely

*HKelly*
